Dear Parents

Sacred Heart Day is a great day for our children to have fun as they raise funds for the following charitable organisations:

- Lifelink
- Loreto Sisters Mission
- Caritas

The day is only made possible because of the warmth and generosity of our School community. The P & F Committee has planned several activities to help make the day successful and enjoyable. Activities such as:

- Morning tea after mass
- Sausage sizzle lunch
- Popcorn
- Showbags

To be able to run these activities we need your help. We don’t expect you to spend your whole time with us. We just need 15-30 minutes of your time, to allow everyone a great day, to spend time with their children, including P & F members. Please consider lending your time to the P & F activities by completing the information below and returning the form with your Sausage Sizzle order form by **Wednesday 25 May 2016**. We will do our best to place you according to your preference, but please note we may need to shuffle people according to preferences.

We will send out a confirmation SMS/email to confirm your role and time slot.

Yours sincerely
Ros Carroll
P & F President
