Holiday Time

What a very busy term we have had! Our children, families and staff have been involved in:

- Sacramental programs for Reconciliation, First Communion and Confirmation
- Interschool Cross Country
- Athletics Carnivals
- Kindy Amazing Race
- Bishops’ Religious Literacy Testing and marking
- Performing Arts Festival
- Carnevale
- LEG Week
- Masses for The Assumption and NAIDOC Week
- Father’s Day Brekky and Kindy’s Father’s Day Evening
- The Great Book Swap Challenge
- Excursions – Year 5 to Kings Park, Year 6 debating with Aquinas College, Year 2 to Fremantle Literacy Centre, Year 3 to Scitech
- Incursions – Year 4 Wheelchair Sports, Year 1 String Art
- Assemblies, prayer services

All of this while still working through the curriculum and dealing with the day to day business of a school! Well done to our Sacred Heart Community.

Now that the term is coming to a close and holidays are finally here, it’s time to calm, relax and rejuvenate. Below are some tips from Maggie Dent:

Tips to calm your home
1. Be comfortable with quiet yourself and model it.
3. Remove clutter and mess because it can add to a child's perception of being in chaos and out of control.
4. Play music that soothes the brain & burn aromatherapy oils that calm.
5. Ensure your boundaries and the kids' boundaries are clear and healthy around meals, sleep, siblings, mobiles, computer use and safety.
6. Make time for play and creativity.
7. Take children out into the fresh air as often as possible.
8. Use quiet voices, ask politely rather than demanding and really listen to your children, without interrupting.
9. Give each other foot, head or back massages, even while watching TV.
10. When needed use calming, creative visualisations for everyone. Buy a CD to guide you.
JAPANESE NEWS - MORE HOST FAMILIES REQUIRED FOR MALE STUDENTS

Our school is hosting a group of students from Japan from 16 Oct — 2 Nov and we are desperately seeking more male students from Years 4 – 6 to host a Japanese boy. GKA is an English immersion school so the students are very good at English and eager to experience life in Australia! The visiting students will stay with a family from the school and participate in regular classes alongside their host student. Hosting is easy and rewarding, students fit in with your routine and they can share a room. You receive $400. If you can help or would like more information please contact the program coordinator Jason Hutchinson on 0417773846 or email homestay@goldil.com.au

AMAZING RACE

Our Kindy children have been superstars at our Amazing Race Days. They ran, jumped, balanced and smiled their way through the day which focused on inclusiveness and fairness. We have such a wonderful sense of community in our Kindy and it was good to see the parents getting back to playing by participating in the running races. The teachers and Year Six helpers showed they were super-fast on their feet as they dashed towards the finish line being cheered on by the Kindy children. A special thank you to our Year Six helpers who demonstrated great leadership skills on the day.

House Carnival 2016

Over the past 3 days students have been competing in events for our 2016 House Athletics Carnival.

On Monday 12 September the Year 4-6 students participated in their field events and the 400m. I was really impressed with all the students results especially in the turbo javelin given the wind the students had to throw into. I was also proud of the students endeavour during the 400m event.

On Tuesday the Year 4-6 students went across to the high school to run the 200m. It was great to see all the cheering that occurred with all students supporting their peers.

On Wednesday 14 September the students in PP-6 competed in the 100m and team games. Congratulations goes out to all the students who competed to the best of their ability.

Thank you very much to all the parents who volunteered their time over the past three days. It was great to have so many volunteers and some new parents put their name down to help—it is greatly appreciated.

Year 6 Debating

On Thursday, the Year Six classes met with Aquinas College for interschool debating. Both classes had been working hard all term learning the correct way to research, write and present a debate and it was great to see the enthusiasm with which the students took up this challenge.

Students debated five topics:

- That the Olympic Games are a waste of money
- That plastic bags should be banned
- That zoos are a form of animal cruelty
- That winning is the most important thing
- That all Olympic Games should be held in Athens

Debates were adjudicated by the Year 10 Debate team from Aquinas and both schools managed to win an equal number of debates.
