Healthy Eating

Children in all year levels are encouraged to eat healthily at both recess and lunch times with duty teachers focusing on helping your children identify always, sometimes and rarely foods that should form part of their daily diet. Our school canteen is accredited and all food served passes the star rating criteria from the Western Australian School Canteen Association and is provided as a service for school families on a daily basis. Please note that a school is not the place for fast food of any kind and this form of special treat for your children should be saved for home – this also applies to school event days such as sport carnivals and Sacred Heart Day.

Protective Behaviours

Whilst the teaching of protective behaviours is embedded in our interactions with students Sacred Heart has a particular focus in this area during Term Two across all year levels as part of the health program. It is important to educate children on their rights to personal safety and the way we do this is by teaching children the following:

- **We all have the right to feel safe at all times and feelings**
- **Early Warning Signs** - the physical sensations we experience in our body when feeling unsafe or excited
- **Safety continuum** - safe/fun to feel scared/risking on purpose/unsafe and **Problem Solving**—how could someone feel safe even if...
- **We can talk with someone about anything, no matter what it is** and **safe secrets/ unsafe secrets**
- **Networks** - identifying adults that we can talk with and ask for help if we feel unsafe/scared/worried
- **Persistence expectation** - persisting in asking for help until you feel safe again
- **Body Awareness and Ownership and Private and Public** parts of the body (including teaching and using the correct anatomical names for private parts of the body). Private and Public clothing/Private and Public places/Private and Public Behaviours/Private and Public Information
- **Personal space** (social distance) and **safe and unsafe touch**
- **Assertiveness** - body language/ tone of voice/ NO GO TELL

As parents, this term is an ideal opportunity to reinforce these messages with your children!

Kindy Speech Screening Parent Meeting

Kindy parents are invited to an information meeting about the Speech Screening that took place last term and how best to understand the milestones of your children’s speech development. Mrs Rochelle Wallace will have your reports available for collection after the meeting.

NIDA Short Courses in 2016

The National Institute of Dramatic Art (NIDA) is Australia’s leading centre for education and training in the dramatic arts, offering a variety of creative learning experiences, including full-time study and short courses for all age groups.

NIDA Open will be running a range of short courses Perth during the June-July and Sept/Oct school holidays. These courses provide the perfect opportunity for children to gain access to NIDA’s expertise and develop practical skills in a fun and supportive environment.

Brochures that outline the upcoming short courses available are in the office for interested students.

If you have any questions regarding the courses please call NIDA Open on 1300 450 417 or email open@nida.edu.au.
Eagles Cup

Another successful week for our teams in Eagles Cup with three wins!

AFL
The AFL boys played an extremely good team and unfortunately lost 33-19. They played really well and were unlucky with the bounce of the ball. I am sure they will turn this around this week.

Soccer
The soccer team notched up another 8-0 win. They continued to play as a team with a defender even coming down the field to score a penalty. The players were exceptionally encouraging of each other. Their coach is very happy with their commitment with the students even running their own training at lunch time.

Netball
What a great game from both teams! Netball A players Jasmine Rose, Abby Eagles and Shae Rochford shot a combined 27 goals, defeating St Emilies who only managed to score 4 goals. Over at the Netball B game, their awesome defence ensured that St Emilies could only score one goal, with Alexis Oudin, Breanna Whitehead and Chloe Bennet shooting a combined 13 goals to win the game. We are looking forward to our next games to see if we can keep up our awesome efforts!

This Friday 27 May the teams will play away at St Joseph’s. The Soccer and AFL play at Queens Park Reserve (169 Treasure Road, Queens Park) and the Netball is at St Joseph’s School (140 Railway Parade, Queens Park).

Week 8 Friday 17 June—Sacred Heart v St Munchin’s—Home
Soccer & AFL – Walter Padbury Reserve (Berehaven Ave & Cassidy Rd)
Netball— Sacred Heart Thornlie

Adjust and Compensate

When adding two digit numbers round one or both numbers to a multiple of 10. Then adjust the answer to compensate for the rounding.

\[
\begin{align*}
28 &+ 36 \\
+2 &- 2 \\
30 &+ 34 = 64
\end{align*}
\]

The number 28 is rounded to the next 10 to make the problem easier. Because 2 is added to 28, 2 must be taken from 36 to compensate.
