Holidays are near!
The holidays begin for both students and staff at the end of this week and as everyone has been working extra hard over the past few weeks, it will be a well-deserved break! Holidays are an opportunity for everyone to unwind, relax and recharge, ready for the second half of the school year. It is a wonderful opportunity for students to put into practice some of the skills they have learnt over the semester at school. Skills such as telling the time, using bus and train timetables, learning about money, reading for enjoyment, measurement when cooking, recognising numbers on dice when playing board games, following a recipe, reading the newspaper, etc.

Although the weather could possibly be cold and wet, holidays are also a time to get outside and enjoy nature. The benefits include those listed below:

- Children who play regularly in natural settings are sick less often. Mud, sand, water, leaves, sticks, pine cones and gum nuts can help to stimulate children's immune system as well as their imagination.
- Children who spend more time outside tend to be more physically active and less likely to be overweight.
- Children who play in natural settings are more resistant to stress, have lower incidence of behavioural disorders, anxiety and depression, and have a higher measure of self-worth.
- Children who play in natural settings play in more diverse, imaginative and creative ways and show improved language and collaboration skills. Single use, repetitive play equipment becomes boring quickly. Natural, irregular and challenging spaces help kids learn to recognise, assess and negotiate risk and build confidence and competence.
- Children who play in nature have more positive feelings about each other. Bullying behaviour is greatly reduced where children have access to diverse nature-based play environments.
- Symptoms of Attention Deficit Disorder are reduced after contact with nature.

Nature Play WA have created a passport for children aged 3-12 with a range of outdoor missions to complete! They are fun and mostly free. It is all about getting kids to run, jump, climb, splash, invent and play! If you would like a free passport, there will be 100 of them in the school office on Friday! Please take one per child. They are also available on the Nature Play WA website.

**Term 2 Reminders**

**Next term staff and students begin on Monday 18 July.** In order to have a smooth start to the new term, please keep in mind the following procedures and rules we have in place to ensure our students, staff and families are kept safe and happy:

- ALL children should remain outside their classrooms or in the pick up area after school for their parents to either drive through to pick them up or park and walk their children across the road. Under no circumstances should children be walking to the church, oval or any school gate to be picked up. Not only does this create a traffic hazard, these areas are unsupervised by staff. Teachers are on duty daily at the pick up area until 3.05pm.

- Children who are late to school **must** be signed in to the office by a parent or guardian before they go to their classroom. They will receive a late form at the office to take to their teacher.

- If your child is injured or otherwise unwell, please keep them at home. Sick children don’t concentrate well in class and benefit from rest.

**Staff News**

- We wish Mr Graham Maher a well deserved break as he takes Long Service Leave during Term Three. Mrs Jackie Connelly will be teaching Year 5B full time during Graham’s leave.

- Mrs Claire Watson returns from her leave at the start of Term Three and we thank Mr Callan Leach for teaching Year 3W for this term.

- Mrs Jill Hall returns from leave at the start of Term Three and we thank Mrs Chloe O’Leary for being the welcome face of Sacred Heart this term in Jill’s absence. We are not farewelling Chloe as she will be joining the office team in a part time capacity.

Eagles Cup and Lightning Carnival

Last Thursday we were blessed with perfect weather for the Lightning Carnival. Fifty very excited and nervous students from Year 5 and 6 made the journey to Maida Vale Reserve to represent Sacred Heart in AFL, Soccer and Netball. I was so proud of all the students with 3 teams winning and one coming second.

Soccer
The Soccer team had two new coaches this year who were past students with plenty of soccer knowledge. They trained the students hard all year and this paid off in the Lightning Carnival with plenty of crisp passing and team play. They got beaten in the final game of the day resulting in them finishing second. This is an extremely impressive effort and one of which that all the players should be proud.

Netball
A huge congratulations to our Netball Teams for 2016. In the Eagles Cup and Lightning Carnival competitions, both teams were undefeated with 18 games won between the two teams! It was a pleasure to watch the girls’ skills develop throughout the term, especially the B team who for most players was their first season of netball. A very big thank you to Tiffany Davenport for helping coach Netball A through the term and to all the wonderful parents who were there each week to score, time and bring oranges!

AFL
Football took on a new approach this year, with intensive training run by a wonderful coach, assisted by parents and teachers. The Eagles Cup games were valuable as they gave the boys insight into their opposition. Our boys played well, experimenting with different positions and strategies that eventually lead them to win the overall shield at the Lightning Carnival. On carnival day their determination and willingness to do their best helped them win the shield. A big thanks to the Madaffari family for all their help and assistance and to all the parents who supported the boys throughout the season.

My School Rules Competition
The My School Rules Competition has begun and our school is one of eight schools participating in this competition.

We ask you to please remember to place any of the shopping dockets from Forest Lakes Forum in the Sacred Heart School box located outside Coles at Forest Lakes Forum.

The totals of those shopping dockets are tallied during the school term and following school holidays. The school with the biggest improvement in points per enrolled student at the conclusion of the competition period compared to the same period the previous year wins the top prize of $1,000 in shopping vouchers plus all schools win other minor prizes. In that past we have won this competition many times but recently, have only received minor prizes.

We really do value these shopping vouchers as they pay for many of the items we require during the year to carry out our fundraising for our school and so we kindly ask you to please support this competition for the benefit of our school.
