As Term One draws to a close it is time for students to reflect on their learning and social interaction goals both individually and within the classroom setting. As parents we can help our children with this task by celebrating their achievements and working together to plan for the challenges and opportunities of Term Two.

The upcoming holidays provide a time for families to put aside the hectic routine of the school term and spend quality relationship time with each other. Try some of these holiday ideas:

2016 Assessment and Reporting
Sacred Heart School continually strives to collect rich data about your children in order to provide maximum learning opportunities which are suited to each child’s needs. Workbooks and or test books are sent home each term so that you can see first-hand how your child/children are completing classroom tasks and activities. During Term One teachers also closely monitor each child’s Self Management and Awareness as well as their Social Management and Awareness and would have arranged a meeting with you if required. Formal reports around all aspects of your child/children’s development will be sent home at the end of Term Two and Term Four. Please note there will be no Interim Report sent home at the end of this term.

THE CURRICULUM CORNER

“Reading aloud to the child makes a pleasure connection between child and print. No one is born wanting to either play basketball or to read. That desire must be planted by someone outside the child. The parent (or teacher or grandparent) who reads to a child is planting seeds, making a connection to print that doesn’t hurt, that entices and gratifies instead. Homework, workbooks, and tests seldom accomplish that. Simply put, reading to the child amounts to a commercial for reading.”

These are 2 sites which provide free books which are read to your child - GREAT for the holidays!

CRUNCH N SIP

Sacred Heart Primary School has been very successful in promoting fruit and vegetables to our students this term and is now a certified Crunch & Sip School. We joined the Crunch & Sip program at the start of this term and made such wonderful progress implementing the program.

To become certified a school needs to achieve:

- A Crunch & Sip Committee
- A Crunch & Sip policy
- 70% of classrooms participating in a Crunch & Sip break on most days
- Parent notification of the Crunch & Sip program

The school saw Crunch & Sip as a great way to introduce students to a variety of fruit and vegetables. Crunch & Sip has quickly become a hit with teachers, parents and students.

I have been excited by the uptake and it is great to see the students really enjoy their break and the parents love that their children are eating fruit and vegetables at school. We have been lucky in that we haven’t had any major problem with students not bringing or having fruit available to them during the break, especially because our canteen has been able to provide fruit cups at a low cost to students. Most parents have been extremely supportive in sending along fruit and vegetables which has meant that students almost always participate.

SPORTING NEWS

Interschool Cricket Carnival

Yesterday, selected students from Year 6 represented the school in an Interschool Cricket Carnival at Kent Street High School Oval. There was a great atmosphere with music playing all day and some games involving more dancing then cricket! Although this was the case the students were still able to show their cricket skills. The boys team fought hard all day and managed to bring up a win in their last game. I was extremely proud of their attitude and fighting spirit. The girls team were able to bring up two wins and improved greatly over the day. The mixed team that was entered in the Boys 2 competition and under the expert coaching guide of Mr Landers did not lose a game all day! Well done to all these students who played on the day you did the school proud.!!!

2016 Inter School Swimming Carnival Results

Last Wednesday the Interschool Swimming Carnival was held. The students had trained extremely hard as a squad and were ready to do their best representing the school. Mr Maher and I were both extremely proud of the improvements they showed. A special thank you goes out to Mr Eyre who helped to train the students. I certainly learnt a lot from his coaching so I am sure the students did too!

It was extremely close all day between the top 3 schools with the lead changing many times. Below are the final results. Congratulations to all the students who were selected to represent the school and extra congratulations go to the students who received medals on the day. Miss Shaw

MOTHERS’ DAY STALL

On WEDNESDAY 4 MAY (Tuesday 3 MAY for KW) the P & F will hold their Annual Mothers’ Day Stall. All children will have the opportunity to purchase ONE beautiful gift for their mum (nanna, carer) during class time. Please do not send more than $5.00. There will be a range of gifts between $2.00 - $5.00 perfect for your mum. If there are gifts remaining, the P & F will also hold a stall on Thursday 5 May at lunchtime for children to purchase extra presents.

Calling for volunteer helpers! Is there anyone out there who wants to get involved with the great activities that the P & F organise however cannot commit to attending the meetings or being on the Committee? The P & F is a hard working group of mums who are mostly unavailable during the day due to work commitments. We are looking for a band of extra people who can assist with stalls and events. The upcoming Mother’s Day stall is one such example. If you can spare some time on Wednesday 4 May or Thursday 5 – during lunchtime – we would love to hear from you. Please email us your details and when you can help at pandf@shthorn.wa.edu.au if you are available.

Year Six Leadership Camp

On Monday 21 March, the Year Six students along with eight staff members headed off to Woodman Point in Munster for their Leadership Camp. There was much excitement in the lead up to camp, with some students claiming they had packed their bags weeks before! We arrived at the campsite to beautiful warm weather and participated in some team building games before settling into our dorms and heading down to the beach. After a couple of hours swimming, looking for starfish and playing beach cricket, we had dinner and got ready for the newspaper fashion show. Mr Burke did a fantastic job as the fashion show MC and our judges chose the best designs. A game of spotlight followed with no-one outsmarting Mr Landers before everyone was off to bed.

Tuesday was an action-packed day as students (and the staff!) participated in archery, built rafts on the beach, climbed the cube and took a leap of faith off the flying fox. After dinner, we participated in a reflection on the Stations of the Cross that was beautifully lead by our councillors and house captains. A movie and popcorn followed before a very tired Year Six cohort stumbled off to bed.

Our last day of camp started with a drizzle of rain, but it couldn't dampen our spirits! Students spent the morning cleaning up, packing up, searching for missing socks and loading the bus, before meeting Mrs Fox at Coogee Beach for a sausage sizzle. We were back in time for the Easter raffle!

The Year Six students should be super proud of how they conducted themselves on camp. We noticed many students stepping up to the challenge of leadership and pushing themselves to try new and difficult things. Some activities took courage and the support of friends to complete and these challenges have developed maturity in our students. Many thanks to the staff who helped lead our students: Mr Landers, Mrs Bathols, Mr Burke, Mr Maher, Mrs O’Neill, Miss Sciarrone, Mrs Hambley and Mrs Connelly. A special thanks to Mrs Fox and Miss Shaw who came to visit us at Woodman Point.
