

# Sacred Heart School Thornlie

**From the Heart - 7 April 2022**

## **Principal's Message**

Dear Parents

This will be the final newsletter for the term. Our term two calendar will be sent out to families in the first week of term two. Newsletters and calendars are available on our school website as well as a live calendar. Whilst COVID restrictions are still impacting our ability to hold events as we did pre-Covid, we are looking at hopefully having a return of some traditional events. We will communicate more around this at the commencement of next term.

At the end of this term, we say goodbye to Tyla Bidefeld and Brittany Conaghan. Tyla has taken a new role as a SWD EA at St Simon Peter Catholic School and Brittany goes on Maternity leave. We wish them both the very best for the future. Nicola Wladyka will be on LSL for next term and Mrs Ripley will be covering her day in Kindergarten. Mrs Anita McArdle will also be on LSL and will be covered by existing staffing. I wish these staff a well-earned break.

Thank you for your amazing support throughout Term One. By standing alongside our teachers and staff you have enabled us to support your child's learning in the most challenging of times. Your child's attendance at school underpins their learning, social and emotional development, as well as their physical and mental wellbeing.

I recognise how concerning it has been for many of our families who have faced a COVID-19 diagnosis and understand the stress this may have placed on many households. Thank you for doing the right thing by isolating for the required period of time.

The Department of Health (WA Health) has brought to my attention that some of our parents have reported a positive COVID-19 RAT result on the school's COVID-19 Self-Reporting Portal, but have omitted to do so on the WA Health RAT Register<sup>1</sup>, as is required by the WA Government.

As a reminder, if your child has a positive RAT result you need to:

- Self-isolate for a minimum of 7 days.
- Register via the WA Health RAT Register<sup>2</sup>.
- Register via the school's COVID-19 Self-Reporting Portal <https://cewa-collections.powerappsportals.com/COVID-19-Self-Reporting-Form/> - **even during the school holidays.**
- At day 7, if symptoms are still present, continue isolating until symptoms clear.
- If no symptoms are present after day 7, you can leave self-isolation. No testing is required.

The Easter period brings with it a reminder of the importance of lived Gospel values. As we reflect during the season of Lent, we pray in solidarity for those in our community affected by COVID-19. We have been humbled by the remarkable acts of generosity and kindness in our school community. Easter is also a time for renewal and hope. As we prepare for the solemnity of Holy Week and the joy of Easter, let us reflect on the strength of our Christian unity.

I would like to take the opportunity to wish you all a very happy and Holy Easter and Holy Week. I hope you have some time with family and an opportunity to reflect on the Easter miracle and the person of Jesus Christ and his Passion. Christ is at the center of all we do at Sacred Heart and at this time of the year his teachings and the Gospel message can help renew us in our shared mission.

Stay safe if you are travelling and I will see you all back at school next term on Tuesday 26 April!

God Bless

Steve Gibbs

## **Love Overcame**

Love overcame

Emerging from a cold tomb

All the truth, majesty and creativity of a living God

Transforming a broken heart Making a quiet return, in a still and sorrowful garden

The grave stone rolled away, to release redemptive love

Jesus resurrected and restored Comforts a weeping woman Speaks with travellers on a journey

Meets with his faithful friends

And they bow down before Christ alive

And acknowledge that the saviour has arrived

That the word of God has come alive

And that the extraordinary transformation of heaven and earth Is complete

## Year 6 Interschool Cricket Carnival

On Tuesday 5 April, a selection of our Year 6 students competed in our annual Interschool cricket carnival held at Kent Street SHS. All eight schools in our association competed against each other to see who would be crowned champion. Both our girl and boy team played; St. Joseph's, St. Munchin's, Salvado and Xavier. The girls' team was very competitive, finishing 4th overall with 2 wins, 1 draw and 1 loss. Our boys' team did exceptionally well, winning all 4 of their games. St. Emilie's won all their games as well, so it came down to net run rate to see who the champion school would be. It was a nail biter waiting to hear. St. Emilie's had a superior net run rate compared to us, so they were crowned the champions for this year. It's was tough to hear after winning all our games. However, I am super proud of how both teams conducted themselves across the whole day. Well done Year 6's!

Mr Bouffler

## Interschool Swimming Carnival

Last Thursday, 31 March, a selection of our Year 4, 5 and 6 students took part in the 2022 Interschool Swimming carnival held at Aqualife. Unfortunately, due to COVID parents couldn't attend but were able to follow live updates online.

The day started out with the 50m butterfly open events and continued through the other strokes, concluding with the relays. Our swimmers were very competitive all day, hanging onto 2nd place in the overall standards. Notre Dame were the winners from start to finish, gradually pulling away from us throughout the day to win comfortably. I am very proud of our swimmers, the squad really fought hard all the way to the final race. With us winning the grand relay!

Below is a list of some of our individual medal winners and the overall school leader board.

## Parents and Friends (P&F)

### Mother Day Stall and Raffle

Every year the P&F run a Mother's Day stall supplying gifts that range from 50 cents to 5 dollars. The students attend the stall as a class with their teacher and have an opportunity to pick a gift for their mum or mother figure. Unfortunately, it has been a little hard to set a date with the restrictions, as soon as it is booked in, we will notify all parents via text message and a post on our Facebook page. On the day of the stall if they would like to purchase a gift, please send your child to school with cash but no more than \$5.50 as they can only purchase one gift and a card to ensure there is enough for everyone.

We will also be running a Mother's Day Raffle, tickets will be sent home during week one of term two, tickets will be 3 for \$5, we will post the prizes on our Facebook page after the holidays.

### Easter Raffle

Good luck to all the students and thank you for participating in this year's raffle. We hope you all have a Happy Easter and enjoy the holidays.

### **STEM Classroom Cash**

Thank to all the families that handed in the coupons and a big thank you to those that took the piles of newspapers home and cut the coupons out from those that were delivered by the West Australian

### **My School Rules Competition**

Our school is one of eight schools participating in The My School Rules Competition. **We ask you to please remember to place any of the shopping dockets from Forest Lakes Forum in the Sacred Heart School box located outside Red Dot at Forest Lakes Forum.**

Alternatively, you may place your shopping dockets in the P&F Box located in the Office, which will be collected and placed in the Sacred Heart School box at Forest Lakes Forum.

The totals of the shopping dockets are tallied during the school term and following school holidays. The school with the biggest improvement in points per enrolled student at the conclusion of the competition period compared to the same period the previous year wins the top prize of \$1,000 in shopping vouchers plus all schools win other minor prizes.

We really do value these shopping vouchers as they pay for many of the items we require during the year to carry out fundraising for our school and so we kindly ask you to please support this competition for the benefit of our school.

### **'Sacred Heart Thornlie P&F' Facebook Page**

To keep up to date on all the exciting events that are happening at the school, 'Like' our Facebook Page. This is a great way to keep up to date on the latest events, when forms are due back and to ask any questions the P&F may be able to assist you with.

### **Containers for Change**

The P&F would like to thank all of our families who donate their containers to the school. It is very much appreciated.
