Dear Parents and Guardians,

On behalf of the Sacred Heart Primary School Advisory Council, I write to inform you that our Principal, Mr. Steve Gibbs, has been appointed on secondment by the Executive Director of Catholic Education Western Australia, Mrs. Annette Morey, to serve in the role of **School Improvement Advisor**.

The role of School Improvement Advisor is a key link between the CEWA Executive Team and Catholic schools across Western Australia. It involves supporting a group of CEWA schools and their leadership teams, with a strong focus on capacity building at both school and system levels.

Steve will commence in the new role on **1 January 2026** and it will conclude on **31 December 2026**. During this time, **Mrs. Darlene Min** will be the short-term principal, appointed by Mrs. Morey. We warmly congratulate Darlene on this appointment and are confident that her leadership will continue to strengthen our school community.

While Steve undertakes this secondment, his thoughts will remain with the Sacred Heart community, and he is keen to maintain his involvement in significant school events.

On behalf of the Catholic School Advisory Council, I extend our thanks and congratulations to Steve and Darlene, and express our gratitude to all staff for their continued service to our students and families.

We invite all parents and guardians to join us in congratulating Steve and Darlene on their appointments and to keep them in your prayers as they embark on these important roles.

Yours sincerely,

Mrs Louise Frisina
School Advisory Council Chair
