

Sacred Heart School Thornlie

From the Heart - 8 February 2023

Beginning of the School Year Prayer

Loving God, we entrust the students at our school in your care.

Bless them with joy when playing and learning with their friends.

Instil in them a love for learning. Watch over them as they grow.

Grant our staff the wisdom, patience, and joy in serving our students.

We ask this through Christ our Lord.

Principal's Message

Dear Parents

Welcome back to a new school year! I hope both yourselves and your child/ren have had a restful break and are now ready for the new year ahead. It has been wonderful to see the children arriving in uniform looking so ready for their new classes and learning experiences to come.

Our new staff have settled in well and everyone is excited for the year ahead. I know that if we work together in a strong partnership between school and home then we will get fantastic outcomes for the children at Sacred Heart.

It is wonderful to begin a year fresh and without the many restrictions and challenges that we have faced in the previous years. We began a school year with a whole school mass, something we have not been able to do for some time and it was a wonderful way to frame the beginning of our new year and the journey that lies ahead.

Next Wednesday we will be having our parent information evenings. These are a chance to hear from the school leadership team who will outline the broad direction of the school and some key information. All classes then run information sessions with information specific to their year level. I look forward to seeing as many parents as possible at this event.

At the commencement of the year it is a good time to refresh on key documents for parents. I encourage you all to follow the links below to have a good look at our Code of Conduct and our Parent Handbook. These documents outline a lot of very useful general information for parents.

http://shthorn.wa.edu.au/pdf/policies_codeofconduct.pdf

<http://shthorn.wa.edu.au/pdf/parenthandbook.pdf>

Attached to this newsletter is our Term Planner. Please diarise all important events. On Friday we have our Evening on the Green. It is a great opportunity to meet new families and connect with people. Big thanks to our P&F for organising this event.

This term we focus on the school's core value of Respect. I like to think of respect as covering three areas; ourselves, others and our environment. If we are showing respect in these three ways we are generally following all school rules and also living according to Gospel values. I will be delivering this message to students and if you can also encourage children to show respect in this way at home that would be fantastic.

This week's Happy Families article is about helping your child settle back into the school year. It has some very practical ideas and solutions. I hope you enjoy it.

I look forward to working in partnership with you in 2023 at Sacred Heart to get the very best results for the precious child/ren that you have placed into our care.

God Bless

Steve Gibbs

Parenting Ideas

Starting the year right

If you're like most parents, you really wanted to start things off well, but it's been a little rocky. Getting back into a routine, being on time, sorting out school lunches... it's a bit tricky. Best laid plans haven't quite been as smooth as you might have liked. To dial in your morning and evening routines, I'm going to suggest a few principles to help.

1. Get clear on what 'getting it right' actually means.

You might know what you want the morning to look like. But is it clear to you? Can you write it down? Can you put it on the fridge? Can you explain it to your kids and help them to buy into why it matters? Clearly explaining what you want and why is going to be a critical first step.

2. Set up a system.

Author, James Clear, says that "you do not rise to the level of your goals. You fall to the level of your systems." So what does your system look like for making things happen? Can you create a system that will facilitate a smooth morning for *every* member of the family?

3. Workshop it.

Setting up a system when you're a parent is pretty easy. But bringing the family along can be trickier. By having a meeting and developing the system with input from your kids, you get to be clear, establish the system, and create buy-in. Ask your children to make suggestions and design the morning based on their

ideas. Fashion it with your expert knowledge. And watch the results improve because your children have been part of it. *Involvement* is a central success pillar when it comes to developing a system that works in any family.

4. Curate competence.

The real secret to successful routines is helping the kids become self-sufficient. It takes time, but teaching them to toast their bread or crumpets, fry or scramble some egg, or organise their cereal or yogurt, or even blend a smoothie means that there is less friction with your routine. They feel good about doing what needs to be done because they know how to do it. And while it's slow at first, it becomes wonderfully efficient over time.

5. Support autonomy.

Kids love to have choices. They appreciate being able to make their own decisions. Support them in that while ensuring they know what the guidelines and boundaries are for making things happen well.

Here are the golden rules of a magic morning (from a dad of six who has talked with thousands of parents about getting this right):

1. Your morning begins the night before. Get the prep done for tomorrow at bedtime so uniforms are ready, bags are packed, and library books or sports gear is sorted.
2. Create margin by waking up a little early, and getting the kids up (gently) a little early too. Room to breathe makes everything work better.
3. Create the structure so everyone knows what needs to be done.
4. Keep the kids accountable in a supportive way.

In spite of your best efforts, things will go pear-shaped now and then. When this happens, stay calm (remember: emotions are contagious), don't sweat the small stuff, be flexible for the morning... but get it back on track the next day by having a calm conversation in the evening, reinforcing the system, and working together on making it work.

Whether it's magic mornings or excellent evenings, the process is the same. Work as a team, and watch the magic happen... at least sometimes.

Dr Justin Coulson

Luna's Corner

Luna has had a very restful holiday and she has enjoyed having lots of walks at the park and around the river. She had Christmas with her friend Dolly and they played together with their toys. This term Mrs Gerhardy is teaching in Kindy and Mrs Kelly is very kindly helping to care for Luna at school during the day. Both Mrs Gerhardy and Luna are still available to all the children. Our "Walk to school with Luna" program is not running for the next few weeks due to the heat. We look forward to starting this program up again soon. Wishing everyone a great Term 1.

Sustainability

What a wonderful start to the year. It has been great to see children bringing in waste free lunchboxes and using the compost bins for fruit and vegetable scraps.

On canteen days (Monday, Thursday, and Friday) small bins are in the quads for canteen rubbish only and all other rubbish will be bought back home to help us meet our sustainability target to be a waste wise school. Keep up the great work!

New Roundabout - Potential traffic delays

I have been notified by the City of Gosnells regarding upgrades that are going to be undertaken to install a new roundabout at the **Ovens Rd and Murdoch Rd intersection**.

Between the months of February and April works will be undertaken to:

- Install the roundabout, islands and asphalt humps
- Modify footpaths and pram ramps
- Apply new asphalt at the intersection

²<mailto:amanda.mccorkill@cewa.edu.au>

- Install new line marking and signage

The construction will be over three months and will cause intermittent road closures in this area.

Between the 6 February and the 14 February there will be temporary lane closures and detours. If exiting the school on Ovens Rd in the afternoon you will be detoured down Chesterton Avenue. It is understood that this closure will not impact pedestrians or cyclists.

I have attached a copy of the City's detour plan for your consideration if the change will impact your route. The closure will be daily between the hours of 7am and 3pm so will impact our school.

I encourage families that are able, to consider walking or cycling to school.

All families will need to expect delays and exercise patience during this time.

Thank you for your understanding.

Parents and Friends (P&F)

Welcome Back

The P&F would like to say a huge welcome back to all our existing families and a massive welcome to all our new families. We are excited to kick the year off with our annual Evening on the Green Welcome Back Event. Please come along and join us this Friday 10 February on the school oval from 6pm-8:30pm. Bring your picnic dinner, picnic rug or chairs and enjoy a relaxed evening on the lawn listening to live music performed by Melvina Live while catching up with other families within the school. We also have two food trucks attending - The Potato Corner and Streets on the Run, for your convenience.

We have lots of new and exciting things coming this year, once our first meeting has been held we will provide a schedule of events for the year. Keep your eye on our Facebook page for the date of our first meeting as we'd love to see some new faces and hear some fresh ideas. Everyone is welcome.

We are always looking for local business who are willing to support our school. If you have a business or know of one that is interested in supporting our events, please get in touch pandf@shthorn.wa.edu.au

My School Rules Competition

Our school is one of eight schools participating in The My School Rules Competition. **We ask you to please remember to place any of your shopping docketts from Forest Lakes Forum in the Sacred Heart School box located outside Centre Management in the shopping centre.**

Alternatively, you may place your shopping docketts in the P&F Box located in the Office, which will be collected and placed in the Sacred Heart School box at Forest Lakes Forum.

The totals of the shopping docketts are tallied during the school term and following school holidays. The school with the biggest improvement in points per enrolled student at the conclusion of the competition period compared to the same period the previous year wins the top prize of \$1,000 in shopping vouchers plus all schools win other minor prizes.

We really do value these shopping vouchers as they pay for many of the items we require during the year to carry out fundraising for our school. We kindly ask you to please support this competition for the benefit of our school.

'Sacred Heart Thornlie P&F' Facebook Page

To keep up to date on all the exciting events that are happening at the school, 'Like' our Facebook Page. This is a great way to keep up to date on the latest events, when forms are due back and to ask any questions the P&F may be able to assist you with.

Containers for Change

The P&F has been running the Containers for Change program for a few years now. This has proven to be a profitable scheme for the school, and we would like to encourage our existing and new families to please donate your eligible containers. The bins are located next to the clothing donation bins near the double gate exit from the car park on Ovens Road.
