From the Heart - 22 March 2023

## A Prayer for Lenten Simplicity

Free me, Lord Jesus, from anything that obstructs my way to you. Clear away the clutter of petty grudges. Remove smudges of resentment and bitterness. Cleanse me of thoughts filled with anger envy, or self-pity.

Create space in my life for more kindness and less spitefulness, greater generosity and stronger compassion.

Enlarge my heart with a spirit of gratitude this Lent, so that I recognize the simple gifts that lay in abundance all around me.

In your sacred name, I pray. Amen.

## Principal's Message

Dear Parents

This week our Year Six students will be taking part in their Leadership Camp. It will be a worthwhile and engaging experience for the students. The camp is designed for students to make new connections, test their abilities and build leadership qualities. I'm sure our students will enjoy the experiences offered to them over the next two days. A big thanks to our staff for giving up their personal time to make camp a possibility.

Mr Bouffler is finalising the arrangements for the upcoming Interschool Swimming Carnival. A lot of careful planning has gone in to the day and we look forward to our students competing against other schools in our area. I wish our team all the best for next week.

The school dance concert is coming up and you should have received correspondence explaining the event. Mrs Vinci has been working hard to prepare the children and I'm sure it will be a great showcase of this term's dance lessons.

Our Happy Families article this week is about bullying. Whilst bullying is rare it can happen and this article has an interesting spin. It talks about what to do if your child has been involved in bullying another child. I have faced this problem as a parent and helping children to learn from the experience is vital. I hope you find it useful.

I hope the children have enjoyed the many events that were planned for Harmony week. It is certainly a busy part of the term but it is great that we are able to celebrate our school's cultural diversity. I look forward to seeing everyone dressed up in their national costume or the colour orange at our whole school parade at 9am in the Hall.

God Bless

## Parenting Ideas

### **My Child is a Bully?!**

No parent wants to hear that their child is a bully. It's awful to think that your child maybe inflicting harm on someone.

If you hear that your child is being a bully, resist the temptation to panic or be defensive. Stay composed and begin to gather the facts. These tips will help:

#### **Communicate**

Let your child know that you have heard that they are bullying and that you are concerned about this. Let them know that you are worried about them and want to help. This may take many attempts as your child may feel embarrassed, or unhappy that they've been caught. Remain calm and direct and ensure your child that you want to hear their side of the story. Talking through with your child about their situation can help you understand why the aggression is occurring and help you work out what to do about it.

Some children due to their age or mental health may not be able to articulate their thoughts. Consider a visit to a health professional for further assistance.

#### **Look ahead**

Once you've gained an understanding of the causes of the bullying look ahead and work through with your child how they may act in future situations. Help them understand how their behaviour may have impacted on the other child, and what it would be like if they received that behaviour.

#### **Reflect**

Children often copy the behaviours they experience so take the time to reflect on the relationship skills that your child may be witnessing at home. If family members yell, hit or put each other down then look for ways to foster a positive family culture based on kindness, respect and empathy.

#### **Use consequences**

Consequences for bullying can be useful if they are related to the behaviour and reasonable in nature. For instance, it's reasonable for a teenager involved in cyber-bullying behaviour to lose their Internet access and phone use privileges as they've failed to stick to the expectations laid down about responsible use. The length of time for loss of privileges depends on the severity of the issue and your child's attitude. As a rule of thumb lengthy loss of privileges can be ineffective as kids cease to care when they're too long.

#### **Restore relationships**

'How will you fix this?' is something a child who bullies needs to hear. Discuss with your child how they will make some restitution to the child or young person they've hurt, whether it's through a written apology, playing a game with a child who they've excluded or apologising to a child whom they humiliated in front of their peers.

#### **Monitor the situation**

Your child's bullying may be a one-off event, however stay mindful of your child's behaviour, their state of mind and the way they continue to relate to others. Let your child know that you want to help them be happy, to enjoy positive friendships and relate well to others.

Bullying is an emotive term that leaves most of us shaken when we hear it. It helps to think of bullying as a being a behaviour resulting from poor decision-making or poor communication skills rather than as a reflection on your child. The latter is hard to change, however the former is always up for change and improvement.

## Halogen National Young Leaders 2023

The filament of the modern Halogen light-bulb is surrounded by a Halogen gas compound. The gas protects the filament and provides the conditions for it to burn hotter, longer and brighter than ever before. In a world where leaders seem to be switching off, or burning out regularly, the decisions made by those who will lead in the near future have never been more important. Halogen Australia seeks to provide the right conditions for producing a generation of leaders who will burn bright on behalf of those they lead.

Halogen Australia exists to inspire & influence a generation of young people to lead themselves and others well.

Two of our Year 6's have provided us with an interesting recount of their day at the Halogen National Young Leaders Day on Monday 20 March 2023. Thank you Leyla and Kelyan for sharing your amazing day with us.

### Recount By Leyla

The National Young Leaders Day was attended by over one thousand people including Sacred Heart.

We started our day by a guy called Ezra teaching us a cool dance to help us not get distracted in class. After that, we played some games, my personal favourite was the look alike game.

During the day we listened to several high-profile Australian's talk about their journey as a leader. They were:

- Eliza Greene - Professional Surfer

- James Foley - Author
- Hon. Simone McGurk MLA
- Matthew Pavlich - AFL Fremantle Footy Club

*We learnt about:*

The importance of a Leader and how we should treat others. A lot of the time when everyone was speaking they spoke about mental health and that everyone who needs help should reach out to anyone possible.

*During the breaks of the day we:*

We took some photos with Eliza Greene and Matthew Pavlich and we were even lucky that we got a chance to get Eliza's signature in our books. We also ate some food, played a game of footy and got some prizes.

*Overall, we think that the best part of the event was:*

Taking notes and listening to the famous Australians talk about their careers and how they became leaders and represent Australia.

*The kind of leaders we want to be for our school are leaders who are:*

Respectful, Responsible, Resilient and Reverent. Listen to all teachers and remember to treat other people like how you want to be treated as well.

Thank you to Mr Gibbs and Miss Snaauw for taking your time to take us to the Convention Centre and helping us become leaders for the future.

### **Recount by Kelyan**

The National Young Leaders day was held by Halogen, there were a lot of people there and it was really fun.

We started our day by coming in and finding our spot, then we had the best dancer we've seen to teach us some dance moves, it was absolutely the be.

During the day we listened to number of high-profile Australian's talk about their journey as a leader. The speakers were amazing speakers they where Eliza Greene a six times junior Surfing Champion, James Foley a famous Author and who loves to draw a lot, Matthew Pavlich a famous Fremantle Dockers Captain and also a 9 News host and last but not least Simone McGurk MLA, she is in Parliament.

We learnt about their childhood and they basically took us through their life and leadership experiences.

When we had breaks we were allowed to get pictures and autographs with the famous people. After, we got to play a game where we had to throw or kick a ball into a hole and if you got it in, you won a prize.

I think the best part of the event was listening to the speakers and just enjoying what they said.

The kind of leaders that we want to be for our school are leaders who are; respectful of our school, follow the Four R's and care for all those people who are less fortunate then you.

## Sustainability

Our Green and Sustainability Teams having been working hard over the last few weeks ensuring that all our Waste Sorted programs and systems have been working well throughout the school and all student, parents and families have been working together to get out waste sorted.

We are proud to be an Accredited Waste Sorted WA School and will continue in 2023 to promote responsible waste management incentives and develop positive environmental values in students and the whole school community.

Thought of the day: Plastic is designed to last forever, yet we often use plastic for a few minutes and then throw it away.

What can you do to reduce single-use plastic? We can all take steps to reduce our use of single-use plastic by making simple 'swaps':
