## Confirmation prayer

**PRAYER FOR CONFIRMATION CANDIDATES:**  
Lord, You send out Your Spirit to touch the hearts  
of all people, so that they may believe in You  
and in Jesus whom You sent.

Look kindly on all candidates for Confirmation  
as they listen to Your voice. Open their hearts to  
Your Spirit and bring to fulfilment the good work  
that You have begun in them.

As we prepare these children for Confirmation, make  
each of us an instrument of Your love. Teach us  
to appreciate what is holy in others, and to be patient  
with what we do not understand.

Deepen our faith in the Gospel and help us to pass it  
on by our example. We pray that You will continue to  
guide us and sustain us.

Through Christ our Lord, Amen.

## Principal's Message

Dear Parents

I trust Mother's Day was a success for our families and that you were able to spend some quality time together. It was wonderful to see so many Mums and female role models at our Mass and morning tea last Friday. I would also like to thank the P&F for organising our Mother's Day stall – I hope your child/ren chose you something special.

We are currently undertaking a whole school climate survey to gather important feedback about our school. Please take the time to complete the survey. Further information about the survey, the link and password can be found later in the newsletter. Staff and some students will also be completing the survey. I thank you in advance for your support in completing the survey.

Speaking of surveys.....thank you to the parents who have provided feedback regarding our school uniform. The opportunity to provide feedback is coming to a close. We will then use this information at the School Advisory Council level to determine whether we will be making any changes to our uniform. If you are yet to complete the survey, please click on the following link.

<https://forms.office.com/r/GkKXEdNQEx>

I have been away from school the last week as my parents were involved in a motor vehicle accident. I would like to thank Mrs Darlene Min and the staff of Sacred Heart for ensuring the school has been running effectively during my absence. Mum and Dad are thankfully making a good recovery and I hope to return to school soon.

Our Year 6 students and students from the parish will be celebrating the Sacrament of Confirmation next Friday 26 May at 6pm. This important Sacrament of Initiation confirms the candidate as a member of the Catholic Church. We look forward to celebrating with the children and families. Please keep the children in your prayers.

Our Happy Families article this week is about creating healthy digital habits for your children. I hope you find it useful.

This term we are focusing closely on our core school value of Reverence. Please discuss this with your children at home when opportunities arise.

God Bless

Steve Gibbs

Principal

## Reverence

“The moment I have realised God sitting in the temple of every human body, the moment I stand in reverence before every human being and see God in him – that moment I am free from bondage, everything that binds vanishes, and I am free.” ~ Swami Vivekananda

'We must guard against disrespectful, disparaging, and criticizing thoughts. We must try to practice reverence and devotion in our thinking at all times' ~ Rudolf Steiner

## Parenting Ideas

### Creating Healthy Digital Habits

Surveys have consistently shown that children have been exposed to rising amounts of screen time in recent years, as well as parents struggling to manage the moods and time demands of children and young people.

As kids spend increasing amounts of time tethered to a digital device, it makes sense that the time they are online, is time well spent. As parents we're often concerned about the connections children and young people are making and the subsequent impact on their wellbeing. We're often concerned about the content they're consuming, and how helpful, relevant and safe it is for them. Rightfully, there's concern that the time spent online, scrolling, searching and swiping, may well be time better spent on other pursuits.

Obviously, these digital devices won't be going anywhere fast. So, we need to look at how we remain in control of our screen use, and ensure the time we're investing online is adding something helpful, positive and meaningful to our lives.

Here are a few tips to help you be more intentional with your scrolling. Being mindful of how time spent on devices, is certainly not just reserved for young people.

### Encourage creation not just consumption

Here's a simple question. Are you more of a consumer or creator when you're online? When you spend your online time in creative mode such as making things, creating own videos, editing photos, writing blogs, coding a video game or composing a song you are getting something tangible in return for the time spent on a screen. You are achieving and creating something, rather than simply consuming the content made by others, which is generally far more satisfying as a user.

### Look at who you are following

Consider the real purpose of the people on your feeds. Are you following celebrities you can never relate to, companies you would never buy from, or people who bring you down rather than teach or inspire you? Ideally, you'll follow people and companies that you can connect with and add positively to your life.

So what about your child? If they have a passion for something, help them find suitable people to follow. For instance, if they love space, search for NASA and related accounts. If they love photography, help them find great photographers sharing their work online. When they're following people that teach, inspire and ignite their passions, they're less likely to spend valuable time with energy zappers.

### Do a digital declutter

We all have so many apps on our devices and many are just clutter that we used once and no longer visit or don't add anything constructive to our day. Maybe you could try deleting all the apps on your phone

and only put those back that you need to make your day easier, or that offer you something positive. This forces us to look at the real benefits, or not, of the apps and thus the time we are spending online. Could there be better games for your kids to play? Are there better videos for them to watch than the ones that the YouTube algorithm believes they want to see?

### **Role model good practises**

Most kids learn much more from what they see and experience, rather than from what they are told. As a parent be sure to be intentional with your screentime. Do you:

- Follow people that support you, challenge you in helpful ways or inspire and lift you up?
- Interact in positive ways?
- Give people your attention rather than scroll whilst others are talking to you?
- Put your digital devices away in order to fit all the other important things into your day?

Setting your kids up with good online habits will help make these practises the norm. If you don't want your children falling prey to the harmful and unhelpful experiences online, you need to be sure that they are focusing on positive and helpful screentime pursuits.

Be intentional with your scrolling, and you'll ensure you're getting a much greater return on your online investment.

## Religious Education News

### Sacrament of Confirmation 26 May 2023

Next Friday 26 May at 6pm fifty six students from our school and parish will receive the Sacrament of Confirmation. This is a special time for these candidates who will commit to the next step in their faith journey. As Catholic people, we first receive the Holy Spirit in the Sacrament of Baptism and Eucharist but when we receive the Sacrament of Confirmation, we commit to serving others and living out the Gospel in our everyday lives. Through prayer and by following the 10 Commandments, we are able to nurture the Holy Spirit within us and become signs of God's love for the world. Please pray for our Confirmation Candidates as they receive the gift of the Holy Spirit in the Sacrament of Confirmation next Friday.

During the month of May our school prays the Rosary together. We have been praying together just before our virtual assembly. The Rosary is a special traditional prayer which Catholics say while using rosary beads. The prayers we say are the Our Father and Hail Mary prayers. While praying these special prayers, Catholics meditate on the life of Jesus and Mary his mother while at the same time asking God to grant specific virtues.

## **Book Fair - Thank you!**

Our book fair was absolutely amazing!

We sold **\$6,966** in items and from that we received **\$2,438** in book rewards for our library!

We are extremely grateful for your support which has allowed us to boost our library collection considerably for our students. We are also thankful to all of our helpers during the week. Thank you all for making the Sacred Heart Book Fair a huge success.

Enjoy all of those lovely new books!

## **Graphic Novels**

Our students LOVE graphic novels! Often it is easy to look at a graphic novel and see little value to them and I have to agree, this does appear to be the case. However, when we see a student pick up a book and we see them reading it is very important to encourage that as it promotes kids enjoying books! Once the good habit is established we can, more often than not, branch into other

---

<sup>3</sup><http://www.mspreorders.com.au/>

books. Graphic novels do provide a great many things and actually do have a story to follow, as a novel does, just in a different format.

Books are evolving and they are now more illustrated to grab the kids attention in the digital world. We know that they look different to what we may have read as kids but know that they do have a purpose!

Happy reading!

## Reminder - Car Park

There are approximately 460 children at Sacred Heart whose safety and well-being is the responsibility of ALL adults. Please observe the following car park instructions:

1. Drive **SLOWLY** (no more than 5km/h) through the car park.
2. The Ovens Road gate is an EXIT gate. Do NOT drive in this gate against the flow of traffic
3. Use the right lane to park in marked bays if picking up children from Kindy or Pre-Primary, or if you have an appointment with a teacher or in the office
4. Use the left lane for 'drive through pick up' and remain in line until the vehicle ahead moves off .  
**Please do not park in the drive through line to drop off kindy or PP students. You must park in the car park and walk them in.**
5. **Parents must remain with their cars in the 'drive through' at all times**
6. Cross to parked cars only on the crosswalks

7. Be especially careful and watch for children and toddlers when reversing in the car park
8. Observe NO PARKING and NO STANDING spaces
9. No parking on the footpaths or on the paved area around the church
10. No parking in the staff car park
11. No parking in the disabled bays, unless you have a valid ACROD sticker
12. Be aware of children crossing to the church especially on Wednesday mornings between 8.30am and 8.45am. The same applies on some Fridays after lunch and on other days when children are involved in Liturgical singing at the Church.

## Mother's Day Events

## Sustainability News

A reminder to continue to bring in your **Bread bags** for our whole school Recycling Rewards challenge. Collection boxes can be found in the front office and outside the Early Learning and Kindy/Pre

-Primary areas. It's important that items being recycled are not contaminated with other products and are as clean as possible. (Any bread bag or wraps pack (not limited to the Wonder brand)).

Also, I would like to make a special thank you to four of our Green Team Members in Year 6 (Jett, Jacob, Rhys and Bernard) who are dedicated to emptying the bins and managing the composting and cash for cans throughout the school each day. They do an amazing job and show a lot of initiative with organising the waste and rubbish at our school.

Remember that Sustainability is everybody's responsibility.

From The Sustainability Team

#### What is a bread bag is for recycling purposes?

The rule of thumb is that if it has contained bread of some sort and is a soft plastic, then it's a bread bag. If it hasn't contained bread, then it's not a bread bag.

#### How do we collect bread bags?

Sacred Heart has a collection box in the **front office** for students to collect bread bags in. You can help out at home by collecting bread bags that your child can take to school with them.

**The more bags we collect the more points we collect and can redeem for sports equipment.**

**We will be collecting bread bags until the end of Term two.**

#### Can we recycle other materials other than bread bags?

As part of the Wonder Recycling Rewards program we are only collecting bread bags.

#### Do our bread bags need to be clean?

Bread bags should be as free from crumbs as they can be to keep the recycling process free from contamination (there is no need to wash them).

## Enrolments now open for Kindergarten 2024

If your child was born between **1 July 2019 to 30 June 2020** they will start 4 Year Old Kindergarten at the beginning of 2024. Enrolment forms can be obtained from the school office or via our website <https://shthorn.wa.edu.au/enrolment-process/> and should be lodged with us as soon as possible. Enrolment interviews will commence later this month.

## Einsteins Australia - Work with Us

Einsteins Australia is looking for our next amazing presenter.

No qualifications required.

You need to be a fun active person who can inspire children to love science.

Be available at least two days each week of the school holidays and 1 day on weekends.

Balanced with time for your own children.

A science background would be an advantage but not essential.

You have to LOVE SLIME! Or at least pretend too!
