

Families

At Sacred Heart ELC we use StoryPark to observe, track and plan for your child's developmental needs and interests.

The 'Storypark' program allows educators to take photos and videos of your child and their work, analyse the learning that is occurring and feedback to you in a timely manner. The program also allows you to feedback to educators in your own time, set learning goals and aspirations for your child and invite other family members, therapists and support workers to enable a collaborative approach to your child's learning and development.

For those families who do not have access to the online system, we will provide a hard copy of your child's journey. The program has options for families to print the stories and photos and make keepsake books and journals also.

The program is safe and secure. All information regarding children is stored within Australia and you will only have access to your own child's stories following the steps over the page.

Please complete the section below and return with your enrolment to allow us to set your child up on the system.

If you have any questions regarding the program, please do not hesitate to contact us.

Child's Name: _____ Date of Birth:

Parent's Name: _____

Email address: _____

Do you give permission for your child's photo to appear in the documentation of other children?

Yes/ No

Please follow the steps below to begin accessing your child's online documentation

1. Complete the attached form in order for your child's details to be added to the program.
2. You will receive an email inviting you to join Storypark. The email will ask you to click on a link which will then take you to a page where you are able to set up your own log in to securely access your child's page (please ensure you use the same email address the link was sent to).
3. The Storypark app is free to download and compatible with both iOS and Android phones.
4. You will now be able to navigate your way through the site. We ask that you add a photo to your child's account.
5. Storypark is FREE for parents to use and your access/ child's page will continue even after they have left the service.
6. Please ask an educator if you require assistance in setting up your account.
