

Sacred Heart School Thornlie

From the Heart Newsletter - 6 December 2024

Principal's Message

Dear Parents

This week we see the end of school year. I was thankful to be able to spend some time with our graduating students on their river cruise and see them enjoying their last days of primary school. I look forward to seeing their many achievements in years to come.

It was also wonderful this week to be able to assist the school Mini Vinnies group and parish St Vincent de Paul volunteers to start to put together much needed Christmas hampers for families in the Thornlie area. Big thanks to Mrs Darlene Min for coordinating this between the school and parish.

Our building project is now officially underway and staff have been working hard to prepare and accommodate for the process. I would like to thank Mr Kumar Ramavathu who kindly made a personal donation towards the build. It is this support from our wonderful parents that makes Sacred Heart such a special place.

As we prepare in this season of Advent for the coming of the birth of our saviour Jesus Christ, I urge you to enjoy the visible signs of lights, tinsel, trees, candy cane and nicely wrapped gifts. They all point to the central message of Christmas – the miracle of the birth of Jesus.

I love Christmas and enjoy the traditional festivities as well as the friendly competition with my neighbour to decorate our homes that little more each year. This year my neighbours and I set up over the weekend and enjoyed having a look at the finish project on Monday night. As always there were some handy suggestions from respective partners about ways to improve! Looks like another trip to Bunnings and back up the ladder! As always, I hope that it brings joy to those who pass by at night and helps them prepare for Christmas as well.

Whatever your family traditions may be, I hope you enjoy this build up to Christmas and this very special time of the year. I also hope your child/ren have a restful break after a long year of learning.

I wish you a happy and holy Christmas and trust you will find the time to reflect on the miracle that is Christmas. I hope you have time to spend with your family and to enjoy the festive season together giving thanks for the year that has been.

I thank you for your continued support and involvement in the Sacred Heart community and wish you the safest and most relaxing holiday period.

God Bless

Steve Gibbs
